## LOCATIONS

### FORT COLLINS

Established in 1986

In the heart of Old Town Fort Collins, this is where the very first door opened for the Rio. The first Fajita served. First Marg to wash it down. First Agave Ballroom for the town to enjoy. The first of so many things where we've called home for over 30 years. Take a prime seat on our patio, and our local owner, Pat, would be happy to share all the adventures.

### BOULDER

Established in 1989

Right around the corner from the Pearl Street Mall, mouthwatering TexMex is the answer to the appetite you worked up shopping. Or, maybe you were in the foothills hiking, we've got delicious answers for that too. A rooftop patio combined with the best margs in Boulder 13 years running, it's safe to say we know a thing or two about how to really enjoy this special place.

## LOCATIONS

### DENVER

Established in 1999

In the mile high city, there's only one place for top-of-the-line TexMex and Margs. In between the Pepsi Center and Coors Field, you're within walking distance of everything LoDo has to offer. So, pull up a chair. Take in a game. Get your afternoon or night jumpstarted for whatever's next. And of course, come back later for a nightcap.

### PARK MEADOWS

Established in 2004

In the Park Meadows Entertainment District, TexMex and Margs at the Rio are a big part of the show. Locally sourced ingredients that'll blow you away. The kind of Happy Hour that comes with ear to ear smiles. For an encore, this includes patio heaters and a featured food partner with Grist Brewing. Bravo.

## LOCATIONS

### GREELEY

Established in 1996

When you're up for damn good TexMex, you go to the Rio in downtown Greeley. From there, it's locally sourced ingredients. It's a Marg voted the best in Weld County. It's a killer patio space, not to mention, a featured food partner with 477 Distilling. Cheers to that!
